5:00 - 7:00 PM

Hampton Roads Convention Center
1610 Coliseum Dr, Hampton, VA 23666

Grand Ballroom B

Bar will open at 4:30 PM

STEP it up for women in manufacturing!

The Manufacturing Institute and Alcoa Foundation invite you to *STEP Forward: Hampton Roads* on September 15. STEP (Science, Technology, Engineering, & Production) Forward is a networking reception for manufacturing women to discuss challenges and opportunities, best practices, and connect with their peers and learn from each other's successes.

Attendees will hear personal stories and key takeaways from:

- 2015 STEP Ahead Honoree Mary Perkinson, Supervisor, Crane Engineering and Quality at Newport News Shipbuilding;
- 2016 STEP Ahead Honoree Marcia Kull, Vice President, Marine Sales - North America at Volvo Penta of the Americas; and
- Anna Gamache, Sr Industrial Engineer at Alcoa.

We would be delighted to count your company's female colleagues among our group of leaders at the event. From the C-Suite to the factory floor, it is together that we can take the next step forward.

For more information, please contact Cristina Crawford at ccrawford@nam.org or by phone at 202-637-3404.

No charge to attend. Food and beverages provided.
